12 Tips for Raising Entrepreneurial Kids

- Encourage reading.
- Explore your local business community together.
- Help them get started on their journey.
- Encourage creativity.
- Don't give up.
- Value hard work.
- Encourage risk-taking.
- Make them question things.
- Provide opportunities to express their intelligence.
- Let your children solve problems.
- Give them free time and space.
- Provide new experiences.

inventRight's inventYES program

National Inventor Hall of Fame's Camp Invention

<https://www.invent.org/educators/camp-invention/new-program>

The screenshot shows the homepage for the National Inventor Hall of Fame's Camp Invention 2022 Program. The header features the organization's logo and a navigation menu with links to Learning Resources, Blog, Sponsor and Donate, and a prominent green button for Register for Camp Invention. Below the header, a large hero image shows three young girls in yellow t-shirts smiling and holding a small fishbowl. Overlaid on this image is the text 'Explore the All-New Camp Invention 2022 Program' and a sub-headline 'Learn about the hands-on activities in this year's STEM summer camp curriculum'. A red button labeled 'Request More Details' is positioned below the sub-headline. On the right side of the hero image, there is a vertical red button labeled 'Contact Us' with a plus icon. The footer contains a small circular icon of a person.

The Henry Ford's Invention Convention

<https://inhub.thehenryford.org/icw/home>

The screenshot shows the homepage of the Invention Convention Worldwide website. The header is yellow and contains the logo on the left, navigation links in the center, and login/sign-up options on the right. The main content area has a large yellow background with a central text block and two circular images of children at a convention. At the bottom, there is a white section with a final call to action.

The screenshot shows the homepage of the People of Play POP website. The header is red with the POP logo in the center, a mail icon, and a search bar. A navigation menu below the header includes links for 2021 Tickets, Fair, Conferences, TAGIEs, Young Inventors, the Bloom Report, Industry Get-Togethers, Sponsor, Media, and News. The main content area features a section for the Young Inventor Challenge, thanking 2021 sponsors. The sponsors' logos are displayed in two rows: Goliath, Spin Master, and Mattel in the first row; Crazy Aaron's, L'Chic, and HABA in the second row. Below the sponsors, there is a call to action to watch the 2021 Young Inventor Challenge Awards Show, followed by a large POP logo graphic with confetti.
